Investment Agreement

Pursuant to the Investment Agreement, the Issuer increased the size of its board of directors in order to elect, as of the Closing Date, two individuals designated by Carlyle Partners VII, Campbell R. Dyer and Daniel F. Akerson (the "Designees"), to the board of directors for a term expiring at the 2020 annual meeting of the Issuer's stockholders. At the 2020 annual meeting of the Issuer's stockholders, the Issuer will nominate the Designees for election as directors with a term expiring at the subsequent annual meeting of the Issuer's stockholders. So long as Carlyle Partners VII or its affiliates (collectively, the "Carlyle Parties") beneficially own shares of Series A Preferred Stock and/or shares of Common Stock issued upon conversion of Series A Preferred Stock ("Conversion Common Stock") that represent, on an as converted basis, at least 50% of Carlyle Partners VII's initial shares of Series A Preferred Stock on an as-converted basis, the Carlyle Parties will have the right to designate a total of two directors for election to the Issuer's board of directors. So long as the Carlyle Parties beneficially own shares of Series A Preferred Stock and/or Conversion Common Stock that represent, on an as converted basis, at least 5.0% of the then-outstanding Common Stock, on an as-converted basis, the Carlyle Parties will have the right to designate a total of one director for election to the Issuer's board of directors.

Until the date the Carlyle Parties no longer own at least 5.0% of the then-outstanding Common Stock, on an as-converted basis, at each meeting of the stockholders of the Issuer, the Carlyle Parties shall take such action as may be required so that all of the shares of Series A Preferred Stock or Common Stock beneficially owned, directly or indirectly, by the Carlyle Parties and entitled to vote at such meeting of stockholders are voted (i) in favor of each director nominated and recommended by the Issuer's board for election, (ii) against any stockholder nominations for director which are not approved and recommended by the Issuer's board for election, (iii) in favor of the Issuer's "say-on-pay" proposal and any proposal by the Issuer relating to equity compensation that has been approved by the compensation committee of the Issuer's board and (iv) in favor of the Issuer's proposal for ratification of the appointment of the Issuer's independent registered public accounting firm.

Furthermore, pursuant to the Investment Agreement, the Carlyle Parties are subject to certain standstill restrictions, including that they are restricted from acquiring additional securities of the Issuer or proposing any solicitation of proxies, until the earlier of (i) the occurrence of certain change of control events involving the Issuer and (ii) the later of (a) the three year anniversary of the Closing Date and (b) the date no designee of the Carlyle Parties serves on the Issuer's board of directors and the Carlyle Parties have no rights (or has irrevocably waived its rights) to designate directors for election to the Issuer's board.

Subject to certain exceptions, including transfers to affiliates, pursuant to a merger, tender offer or exchange offer or with the prior written consent of the Issuer, the Carlyle Parties are restricted from transferring the Series A Preferred Stock or Conversion Common Stock until the earlier of (i) the 18 month anniversary of the Closing Date and (ii) the occurrence of certain change of control events involving the Issuer.

Subject to certain exceptions, until the later of (i) the date that the Carlyle Parties fail to beneficially own in excess of 5.0% of the then-outstanding Common Stock, on an as-converted basis, and (ii) the three year anniversary of the Closing Date, the Carlyle Parties will have rights to participate pro rata in future issuances of equity securities and other securities that are convertible or exchangeable into equity securities by the Issuer or its subsidiaries pursuant to the Investment Agreement.

So long as the Carlyle Parties beneficially own in excess of 5.0% of the then-outstanding Common Stock, on an as-converted basis, the Issuer and its subsidiaries shall not adopt, approve or agree to adopt a stockholder rights agreement, "poison pill" or similar anti-takeover agreement or plan, unless the Issuer has excluded the Carlyle Parties, and shall take any action as necessary to render inapplicable any anti-takeover provisions that may apply to the Carlyle Parties. In addition, so long as the Carlyle Parties own any shares of the Series A Preferred Stock, the Issuer shall not, without the written consent of the Carlyle Parties, enter into any material related party transactions or repurchase or redeem shares of Common Stock from a related party in a privately negotiated transaction at a price that exceeds the then-current market price.

Certificate of Designations

As set forth in the Certificate of Designations, as filed with the Secretary of State of the State of Delaware on April 3, 2019 (the "Certificate of Designations"), the Series A Preferred Stock ranks senior to the shares of the Issuer's Common Stock with respect to dividend rights and rights on the distribution of assets on any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Issuer. The Series A Preferred Stock has a liquidation preference of \$1,000 per share. Holders of Series A Preferred Stock are entitled to a cumulative dividend at the rate of 5.5% per annum, payable quarterly in arrears. If the Issuer does not declare and pay a dividend and in certain other circumstances relating to failure to pay or deliver redemption prices, the dividend rate will increase by 2.5% to 8.0% per annum (which rate will increase by an additional 0.50% every three months until such failure is cured, subject to a cap of 11.0% per annum) until all accrued but unpaid dividends have been paid in full. Dividends are payable in cash or in kind, through the issuance of additional shares of Series A Preferred Stock, or a combination of both, at the option of the Issuer.

The Series A Preferred Stock are convertible at the option of the holders at any time into shares of Common Stock at an initial conversion price of approximately \$27.50 per share and an initial conversion rate of 36.3636 shares of Common Stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments. At any time after the third anniversary of the Closing Date, if the volume weighted average price of the Common Stock exceeds \$49.50, as may be adjusted pursuant to the Certificate of Designations, for at least 30 trading days in any period of 45 consecutive trading days (including the final five trading days of any such 45-trading day period), at the election of the Issuer, all of the Series A Preferred Stock will be convertible into the relevant number of shares of Common Stock. The issuance of shares of Common Stock upon the conversion of the Series A Preferred Stock, together with all shares of Common Stock issued in respect of equity awards of ARRIS assumed in connection with the Issuer's acquisition of ARRIS, will be capped at 19.9% of the Common Stock outstanding immediately prior to the closing of the Transaction (the "Conversion Restrictions") unless and until the Issuer obtains shareholder approval (to the extent required under the Nasdaq listing rules) for the issuance of additional shares. If this cap is reached, the Issuer will, at its option, either obtain stockholder approval before issuing any shares of Common Stock in excess of the cap or pay the converting holders, in lieu of delivery of shares of Common Stock in excess of the cap, the cash value of such shares.

Holders of Series A Preferred Stock are entitled to vote with the holders of the Common Stock on an as-converted basis. Holders of Series A Preferred Stock are entitled to a separate class vote with respect to, among other things, amendments to the Issuer's organizational documents that have an adverse effect on the Series A Preferred Stock, issuances by the Issuer of securities that are senior to, or equal in priority with, the Series A Preferred Stock and issuances of shares of Series A Preferred Stock after the Closing Date, other than shares issued as dividends with respect to shares of Series A Preferred Stock issued on the Closing Date.

On any date during the three months following the eight year and six month anniversary of the Closing Date (the "Initial Redemption Date") and the three months following every anniversary of the Initial Redemption Date, holders of Series A Preferred Stock will have the right to require the Issuer to repurchase all or any portion of the Series A Preferred Stock at 100% of the liquidation preference thereof plus all accrued but unpaid dividends (the "Redemption Price"), in cash or, at the Issuer's option, a combination of cash and shares of Common Stock, subject to certain terms in the Certificate of Designations.

Upon certain change of control events involving the Issuer, the Issuer will have the right, subject to the holder's right to convert prior to such redemption, to redeem all of the Series A Preferred Stock at a redemption price equal to, at the holder's election (or, if the holder does not elect, the greater of), (i) an amount in cash equal to the sum of the liquidation preference of the Series A Preferred Stock, all accrued but unpaid dividends and, if the applicable redemption date is prior to the fifth anniversary of the first dividend payment date, the present value, discounted at a rate of 10%, of any remaining scheduled dividends through the five year anniversary of the first dividend payment date, assuming the Issuer chose to pay such dividends in cash or (ii) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event. Subject to the Issuer's right described in the immediately preceding sentence, following the effective date of any such change of control event, the holders of Series A Preferred Stock can require the Issuer to repurchase the Series A Preferred Stock at a redemption price equal to, at the holder's election (or, if the holder does not elect, the greater of), (i) an amount in cash equal to 100% of the liquidation preference thereof plus all accrued but unpaid dividends or (ii) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event.

Registration Rights Agreement

On the Closing Date, the Issuer entered into a Registration Rights Agreement (the "Registration Rights Agreement") with Carlyle Partners VII, pursuant to which the Carlyle Parties will have certain registration rights with respect to the Series A Preferred Stock and the Conversion Common Stock.

The foregoing descriptions of the Investment Agreement, Certificate of Designations and Registration Rights Agreement in Item 3 and this Item 6 do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements, each of which is attached as an exhibit to this Schedule 13D, and incorporated herein by reference.
