Live webcasts of the Jefferies, J.P. Morgan and Bank of America Merrill Lynch presentations will be available through a link on the Investor Relations page of CommScope's website at <http://ir.commscope.com>. The link to the presentations will be live just prior to the start of the presentations and should be available for on-demand use within 24 hours after our presentation is over. The webcast will be available from our website for a limited period of time following the conference.

### **About CommScope**

CommScope (NASDAQ: COMM) ([www.commscope.com](http://www.commscope.com)) has played a role in virtually all the world's best communication networks. We create the infrastructure that connects people and technologies through every evolution. Our portfolio of end-to-end solutions includes critical infrastructure our customers need to build high-performing wired and wireless networks. As much as technology changes, our goal remains the same: to help our customers create, innovate, design, and build faster and better. We'll never stop connecting and evolving networks for the business of life at home, at work, and on the go.
