## **CommScope to Participate in the Bank of America Merrill Lynch Leveraged Finance Conference**

HICKORY, N.C.--(BUSINESS WIRE)-- CommScope Holding Company, Inc., a global leader in infrastructure solutions for communications networks, plans to participate at the Bank of America Merrill Lynch Leveraged Finance Conference on Thursday, December 3 at 3:30 p.m. ET. The Company plans to discuss its long-term market fundamentals and its strategic deployment of cash. The Company also disclosed that it made a voluntary pre-payment of \$100 million on its senior secured term loan due 2018 as part of its plan to repay debt.

A live webcast of the event will be available through a link on the Investor Relations page of CommScope's website at <http://ir.commscope.com>. The link will be live just prior to the start of the event and should be available for on-demand use within 24 hours after the event is complete. The webcast will be available from our website for a limited period of time.

### **About CommScope:**

[CommScope](#) (NASDAQ: COMM) helps companies around the world design, build and manage their wired and wireless networks. Our vast portfolio of network infrastructure includes some of the world's most robust and innovative wireless and fiber optic solutions. Our talented and experienced global team is driven to help customers increase bandwidth; maximize existing capacity; improve network performance and availability; increase energy efficiency; and simplify technology migration. You will find our solutions in the largest buildings, venues and outdoor spaces; in data centers and buildings of all shapes, sizes and complexity; at wireless cell sites; in telecom central offices and cable headends; in FTTx deployments; and in airports, trains, and tunnels. Vital networks around the world run on CommScope solutions.

This press release includes forward-looking statements that are based on information currently available to management, management's beliefs, as well as on a number of assumptions concerning future events. Forward-looking statements are not a guarantee of performance and are subject to a number of uncertainties and other factors, which could cause the actual results to differ materially from those currently expected. In providing forward-looking statements, the company does not intend, and is not undertaking any obligation or duty, to update these statements as a result of new information, future events or otherwise.
