CommScope to Participate in Conferences

HICKORY, N.C.--(BUSINESS WIRE)-- CommScope Holding Company, Inc., a global leader in infrastructure solutions for communications networks, plans to participate in the following conferences:

- Credit Suisse Small & Mid Cap Conference
Date: Wednesday, September 16, 2015
Time: 8:50 a.m. EDT
- Deutsche Bank 2015 Technology Conference
Date: Thursday, September 17, 2015
Time: 2:00 p.m. EDT

There will not be a webcast of the Credit Suisse presentation. A live webcast of the Deutsche Bank fireside chat will be available through a link on the Investor Relations page of CommScope's website at <http://ir.commscope.com>. The link will be live just prior to the start of the event and should be available for on-demand use within 24 hours after the event is complete. The webcast will be available from our website for a limited period of time following the conference.

About CommScope

[CommScope](#) (NASDAQ: COMM) helps companies around the world design, build and manage their wired and wireless networks. Our vast portfolio of network infrastructure includes some of the world's most robust and innovative wireless and fiber optic solutions. Our talented and experienced global team is driven to help customers increase bandwidth; maximize existing capacity; improve network performance and availability; increase energy efficiency; and simplify technology migration. You will find our solutions in the largest buildings, venues and outdoor spaces; in data centers and buildings of all shapes, sizes and complexity; at wireless cell sites; in telecom central offices and cable headends; in FTTx deployments; and in airports, trains, and tunnels. Vital networks around the world run on CommScope solutions.
