Description

99.1 CommScope Holding Company, Inc. press release, dated May 15, 2014.

**CommScope Commences Notes Offering**

**HICKORY, NC, May 15, 2014**—CommScope Holding Company, Inc. (NASDAQ: COMM) announced that its wholly owned subsidiary, CommScope, Inc., intends to offer \$1.1 billion in aggregate principal amount of senior unsecured notes comprised of two tranches of \$550 million each, subject to market conditions, to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States in compliance with Regulation S under the Securities Act.

The notes will be fully and unconditionally guaranteed by the issuer’s U.S. restricted subsidiaries, subject to certain exceptions, but will not be guaranteed by the company. The issuer expects to use the net proceeds of this offering, together with cash on hand, to redeem the \$1.1 billion outstanding aggregate principal amount of its 8.25% senior notes due 2019.

The notes will not be registered under the Securities Act, or any state securities laws, and may not be offered or sold in the United States absent registration, except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws.

This announcement is neither an offer to sell nor a solicitation of an offer to buy any of these securities, and shall not constitute an offer, solicitation or sale in any jurisdiction in which such an offer, solicitation or sale would be unlawful.

***Cautionary Statement Concerning Forward-Looking Statements***

This Press Release and any other oral or written statements made by us or on our behalf may include forward-looking statements which reflect our current views with respect to future events and financial performance. These forward-looking statements are identified by their use of such terms and phrases as “intend,” “goal,” “estimate,” “expect,” “project,” “projections,” “plans,” “anticipate,” “should,” “designed to,” “foreseeable future,” “believe,” “think,” “scheduled,” “outlook,” “guidance” and similar expressions. This list of indicative terms and phrases is not intended to be all-inclusive.

These statements are subject to various risks and uncertainties, many of which are outside our control, including, without limitation, our dependence on customers’ capital spending on communication systems; concentration of sales among a limited number of customers or distributors; changes in technology; our ability to fully realize anticipated benefits from prior or future acquisitions or equity investments; industry competition and the ability to retain customers through product innovation, introduction and marketing; risks associated with our sales through channel partners; possible production disruptions due to supplier or contract manufacturer bankruptcy, reorganization or restructuring; the risk our global manufacturing operations suffer production or shipping delays causing difficulty in meeting customer demands; the risk that internal production capacity and that of contract manufacturers may be insufficient to meet customer demand or quality standards for our products; our ability to maintain effective information management systems and to successfully implement major systems initiatives; cyber-security incidents, including data security breaches or computer viruses; product performance issues and associated warranty claims; significant international operations and the impact of variability in foreign exchange rates; our ability to comply with governmental anti-corruption laws and regulations and export and import controls worldwide; risks associated with currency fluctuations and currency exchange; the divestiture of one or more product lines; political and economic instability, both in the U.S. and internationally; potential difficulties in realigning global manufacturing capacity and capabilities among our global manufacturing facilities, including delays or challenges related to removing, transporting or reinstalling equipment, that may affect
