## **CommScope to Participate in the Wells Fargo Technology, Media & Telecom Conference**

HICKORY, N.C.--(BUSINESS WIRE)-- CommScope Holding Company, Inc., a global leader in infrastructure solutions for communications networks, plans to participate in a fireside chat at the Wells Fargo Technology, Media and Telecom Conference on Tuesday, November 10 at 10:45 a.m. ET.

A live webcast will be available through a link on the Investor Relations page of CommScope's website at <http://ir.commscope.com>. The link will be live just prior to the start of the fireside chat and should be available for on-demand use within 24 hours after the event is complete. The webcast will be available from our website for a limited period of time.

### **About CommScope**

[CommScope](#) (NASDAQ: COMM) helps companies around the world design, build and manage their wired and wireless networks. Our vast portfolio of network infrastructure includes some of the world's most robust and innovative wireless and fiber optic solutions. Our talented and experienced global team is driven to help customers increase bandwidth; maximize existing capacity; improve network performance and availability; increase energy efficiency; and simplify technology migration. You will find our solutions in the largest buildings, venues and outdoor spaces; in data centers and buildings of all shapes, sizes and complexity; at wireless cell sites; in telecom central offices and cable headends; in FTTx deployments; and in airports, trains, and tunnels. Vital networks around the world run on CommScope solutions.
