CommScope to Participate in Investor Conferences

HICKORY, N.C.--(BUSINESS WIRE)-- CommScope Holding Company, Inc., a global provider of connectivity and essential infrastructure solutions for wireless, business enterprise and residential broadband networks, plans to participate in and will give formal presentations at the following conferences:

Credit Suisse 17th Annual Technology Conference

Date: Thursday, December 5, 2013

Time: 11:30 a.m. ET

Raymond James Systems, Software & Supply Chain Conference

Date: Monday, December 9, 2013

Time: 3:40 p.m. ET

Live webcasts will be available through a link on the Investor Relations page of CommScope's website at <http://ir.commscope.com>. The link to the presentations will be live just prior to the start of the presentations and should be available for on-demand use within 24 hours after our presentation is over. The webcast will be available from our website for a limited period of time following the conference.

About CommScope

CommScope (NASDAQ: COMM)(www.commscope.com) has played a role in virtually all the world's best communication networks. We create the infrastructure that connects people and technologies through every evolution. Our portfolio of end-to-end solutions includes critical infrastructure our customers need to build high-performing wired and wireless networks. As much as technology changes, our goal remains the same: to help our customers create, innovate, design, and build faster and better. We'll never stop connecting and evolving networks for the business of life at home, at work, and on the go.
