## **CommScope to Participate in the Jefferies Semiconductors, Hardware & Communications Infrastructure Summit**

HICKORY, N.C.--(BUSINESS WIRE)-- CommScope Holding Company, Inc., a global provider of connectivity and essential infrastructure solutions for wireless, business enterprise and residential broadband networks, plans to participate in the Jefferies Semiconductors, Hardware and Communications Infrastructure Summit on Tuesday, August 25.

### **About CommScope**

CommScope (NASDAQ: COMM) ([www.commscope.com](http://www.commscope.com)) helps companies around the world design, build and manage their wired and wireless networks. Our network infrastructure solutions help customers increase bandwidth; maximize existing capacity; improve network performance and availability; increase energy efficiency; and simplify technology migration. You will find our solutions in the largest buildings, venues and outdoor spaces; in data centers and buildings of all shapes, sizes and complexity; at wireless cell sites and in cable headends; and in airports, trains, and tunnels. Vital networks around the world run on CommScope solutions.
